

anteriorPush/include
/login/usuario.hpp

```
graph TD; A["anteriorPush/include /login/usuario.hpp"] --> B[iostream]; A --> C[string]; A --> D[iomanip];
```

The diagram illustrates the dependencies of the header file 'anteriorPush/include /login/usuario.hpp'. Three blue arrows point from the header file box to three separate boxes below it, labeled 'iostream', 'string', and 'iomanip', indicating that the header file includes these standard C++ libraries.

iostream

string
