

anteriorPush/include
/sistema/EXCECOESDOSISTEMA.hpp

```
graph TD; A["anteriorPush/include  
/sistema/EXCECOESDOSISTEMA.hpp"] --> B["string"]; A --> C["iostream"];
```

The diagram illustrates a C++ header file's dependencies. A central box at the top represents the header file `anteriorPush/include/sistema/EXCECOESDOSISTEMA.hpp`. Two blue arrows originate from the bottom of this box, pointing downwards to two separate boxes. The left box contains the text `string`, and the right box contains the text `iostream`, indicating that the header file includes these two standard library headers.
